TTRS RELAUNCH DAY-Dress up as a Rock Star!

To relaunch the Times Tables Rock Stars learning platform, we will be holding a Rock Stars day on **Thursday 29th February**. Children and staff are encouraged to dress up as a rock star on the day, rocking their air guitars! During the day, we will also be launching the St Mary's Times Tables Challenge, inviting pupils to learn their tables so that they are ready to take part in class competitions.

Wrap Around Care

Following the success of Breakfast Club, we are keen to extend our 'Wrap Around Care' provision to include after school hours.

Before we proceed, we would like to invite you to share your thoughts and insights to explore whether Wrap Around Care would be beneficial for you and your child.

We will shortly be sending out an electronic form that we ask you complete to help us understand and provide the correct provision to suit the needs of our families.

Young Voices

WOW! What a fabulous concert!

A fantastic day out for members of KS2 who attended the Young Voices concert at the World Resorts Arena in Birmingham on 22nd February 2024.

Staff were blown away by the performances of the pupils as they raised the roof of the arena and did themselves, their teachers and parents immensely proud – we may have even seen an emotional tear or two!

Everyone had a brilliant time and wonderful memories made!

The pupil's resilience, behavior and motivation shone through. It was worth every minute and we thank **ALL** parents for supporting us by making this event a success - we can't wait to do it again!

Well Done St Mary's

St Mary's SIAMS Inspection.

On Tuesday 27th February, we shall be visited by an Inspector from The National SIAMS Team.

All Church of England and Methodist schools are inspected approximately every five years by a SIAMS inspector from the Church of England, although there has been some delay to the inspections due to Covid.

A SIAMS inspection is an opportunity to highlight the impact that the school's Christian vision has on the flourishing of the whole school community.

Following the inspection, a report will be published, and the inspection findings will be shared with you on the school website. This will be approximately three weeks after the inspection. The report will celebrate all that is special about the school and will identify next steps that are helpful in the school's ongoing development as a Church school.
