

## Term One Homework: The Stone Age!

Our topic this term is Stone Age to Iron Age. To help us with our learning, please complete at least one of these tasks a week to be handed in on a **Friday**.

**CAVE ART** - make up your own story in the style of Stone Age cave art. It can be anything you like, but you must tell it through stories!

**TIME TRAVELLERS** - imagine you have been whisked back in time to Pre-historic Britain. You have been allowed to take one object and one person from 2020. Who and what would you take with you and why? Explain reasons for your choice.

**CAVE HOMES** - during the Stone Age, people lived in caves. If you had to live in a cave, what would it look like and who would live with you? Be as imaginative as you like. You could even make your own 3D model!

**STONE AGE RECIPE** - Stone Age people could not pop to the shops to buy their food. Everything they had to be caught or collected. Write your own recipe for a Stone Age dinner using the sort of ingredients that would be available to them.

**TOOLS** - what tools were used in the Stone Age, Bronze Age and Iron Ages? Research and make your own tools like those that were used in Prehistoric Britain.

**HOW TO SURVIVE THE STONE AGE** - create a leaflet explain how to survive the Stone Age. What will your guide say? What tips do you have for surviving? You could use ICT if you have it available!

**PREHISTORIC ANIMALS** - what animals could be found in the Stone Age? Research them and create a fact file of each. How many can you find?

**CLOTHING** - invent an outfit for a caveman or woman. Think about the materials that were available to them at the time.
