

Key Instant Recall Facts

I know doubles and halves of numbers to 20

Year 2

Summer Term 1

Top tips for learning at home

We will be sending out KIRFs homework weekly but there are lots of activities you could do at home too.

The secret to success is practising **little** and **often**. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey? You don't need to practise them all at once: perhaps you could have a fact of the day. If you would like more ideas, please speak to your child's teacher.

Use what you already know –

Encourage your child to find the connection between the 2 times table and double facts, along with division facts and halving

Ping Pong – In this game, the parent says, "Ping," and the child replies, "Pong." Then the parent says a number and the child doubles it. For a harder version, the adult can say, "Pong." The child replies, "Ping," and then halves the next number given.

Practise online –

Go to <https://www.topmarks.co.uk/maths-games/hit-the-button>

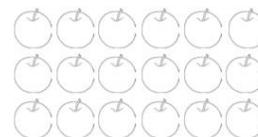

By the end of this half term, your child should know the following facts. The aim is for them to recall these facts **instantly**.

$0 + 0 = 0$	$\frac{1}{2}$ of $0 = 0$	$11 + 11 = 22$
$1 + 1 = 2$	$\frac{1}{2}$ of $2 = 1$	$12 + 12 = 24$
$2 + 2 = 4$	$\frac{1}{2}$ of $4 = 2$	$13 + 13 = 26$
$3 + 3 = 6$	$\frac{1}{2}$ of $6 = 3$	$14 + 14 = 28$
$4 + 4 = 8$	$\frac{1}{2}$ of $8 = 4$	$15 + 15 = 30$
$5 + 5 = 10$	$\frac{1}{2}$ of $10 = 5$	$16 + 16 = 32$
$6 + 6 = 12$	$\frac{1}{2}$ of $12 = 6$	$17 + 17 = 34$
$7 + 7 = 14$	$\frac{1}{2}$ of $14 = 7$	$18 + 18 = 36$
$8 + 8 = 16$	$\frac{1}{2}$ of $16 = 8$	$19 + 19 = 38$
$9 + 9 = 18$	$\frac{1}{2}$ of $18 = 9$	$20 + 20 = 40$
$10 + 10 = 20$	$\frac{1}{2}$ of $20 = 10$	

Key Vocabulary

What is **double** 9?
 What is **half** of 14?
 Multiply by 2
 Two times _____
 Divide by 2
 Equal groups

18

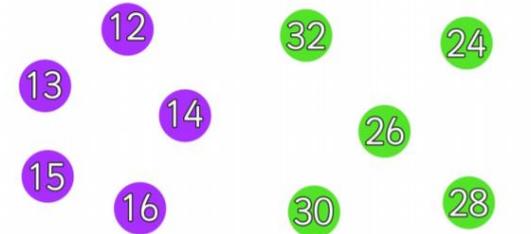

Double 18 is _____

Half of 18 is _____

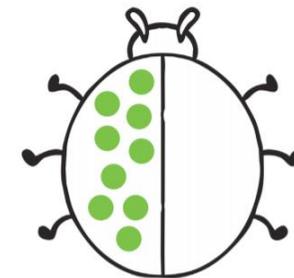

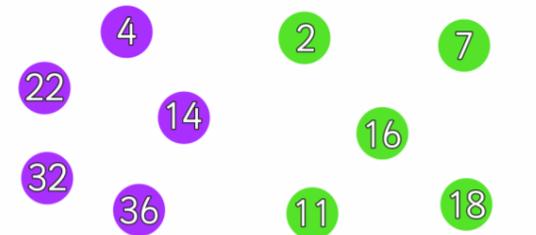

Doubling Challenge Cards

Match the number to its double like this: 3 → 6

Halving Challenge Cards

Match the number to its half like this: 6 → 3

Double 9 is _____
