community	a group of people living in the same place or having a particular characteristic in common.
physical	defining traits or features about your body that are visually apparent, without knowing anything else about the person.
non-physical	qualities that a person holds that cannot be physically seen, for example 'kind'.
beliefs	a belief is a firm thought that something is true.
identity	children's identity is not visible and is influenced by their likes, dislikes, beliefs, culture and parents/peers.
personality	the characteristics of an individual's behaviour, attitude, and feelings in everyday social situations make up personality.

General Knowledge

Adam and Eve

The story of Adam and Eve teaches us of the first sin. Before the creation of the world there was nothing. Neither this earth, nor this sky, nor water, nor man nor even light was there. God has created this world with great effort. He has made this world very beautiful and amazing. God created this world in 6 days. Within this story you will learn how temptation can affect how we act as humans and whether these temptations can alter our personalities or identities.

Communities

We are all part of a number of communities - such as the area where we live, our school or a sports club we go to. Your community is a place where you can find support, guidance, fun and enjoyment. One community we are all part of is planet Earth!

Christian Community

A specific community is based on the religion Christianity. Christians have a community which fosters on the Christian values encouraged by God and the church community. Christians pray, sing and worship God in their community.

Did you know?

Christians believe that God is all-powerful (omnipotent), all-knowing (omniscient), all-loving (omnibenevolent) and that God is everywhere all the time (omnipresent).
